## All-Ukrainian scientific and practical conference "Innovations in teacher training in the context of European integration of the educational process: the view of scientists and practitioners."

On **May 15, 2019**, on the occasion of the Science Week at Borys Grinchenko Kyiv University and in the framework of the research of the scientific topic by Pedagogical Institute, an All- Ukrainian scientific and practical conference **"Innovations in teacher training in the context of European integration of the educational process: the view of scientists and practitioners"** was held.

The purpose of the conference was to identify and discuss the expectations of employers on the content of future teachers training and their coordination with the innovative research of scientists to improve the effectiveness of the process in the context of European integration.

The conference was attended by scientists from leading institutions of higher education: Borys Grinchenko Kyiv University, Institute of Pedagogy of NAES of Ukraine, Vasyl Stefanyk Precarpathian National University, Oleksandr Dovzhenko Hlukhiv National Pedagogical University, State Higher Educational institution "Donbas State Pedagogical University", Lesya Ukrainka Eastern European National University, Educational and Research Institute of Pedagogy and Psychology of "Luhansk Taras Shevchenko National University", State Higher Educational Institutional "Hryhoriy Skovoroda Pereyaslav-Khmelnyskyi State Pedagogical University", Zhytomyr Regional in-Service Teacher Training Institute, Drohobych Ivan Franko State Pedagogical University, English Language School Oxford Class. It was also attended by practitioners – heads of pre-school education institutions and directors of secondary educational institutions of Kyiv and Kyiv region. Undergraduate students of Pedagogical Institute of Borys Grinchenko Kyiv University actively participated in the conference.

Natalia Vinnikova, vice-rector for scientific work of Borys Grinchenko Kyiv University, Doctor of Philology, Associate Professor addressed the participants of the conference with a welcoming speech.

The participants of the conference were offered a line of master classes, which presented innovative technologies that are being implemented in Pedagogical Institute within the training of future preschool and primary school teachers based on the results of the European experience:

- The technology of "Self-book" in personal-professional development of teachers (moderators: Venhlovska O.A., Associate Professor of the Department of Pedagogy and Psychology; Kuzemko L. V., Associate Professor of the Department of Pedagogy and Psychology; Novik I.M., senior lecturer of the Department of Pedagogy and Psychology);
- How to pull the trigger of communication in your English lesson (moderator: Holovatenko T. Yu, lecturer of the Department of Foreign Languages and Methodologies);
- Three steps to effective integration in the educational process: pedagogical life hacks (moderators: Polovina O.A., Associate Professor of the Department of

Preschool Education; Kondratets I.V., senior lecturer of the Department of Preschool Education; Volynets Yu.O., senior lecturer of the Department of Preschool Education);

- Pedagogical tools of primary school teachers in the era of digitalization (Vyshnivska N.V., senior lecturer of the Department of Primary Education; Shkurenko O.V., senior lecturer of the Department of Primary Education);
- Educational infographics in professional training of the teacher (moderator: Lieontieva I.V., Associate Professor of the Department of Theory and History of Pedagogy).

After the workshops there was an open discussion, which was attended by the following speakers: Hanna Volodymyrivna Bielienka, head of Department of Preschool Education, Pedagogical Institute of Borys Grinchenko Kyiv University, doctor of Pedagogical Sciences, Professor; Hennadii Leonidovych Bondarenko, head of the Department of Primary Education, Pedagogical Institute of Borys Grinchenko Kyiv University, the Candidate of Pedagogical Sciences, Associate Professor; Nataliia Hryhorivna Kuchmina, director of Kyiv preschool educational institution №270; Zoia Viacheslavivna Lytvyn, the founder of public Union "Osvitoriya", Novopechersk School and GlobalTeacher Prize in Ukraine; Olena Oksentivna Muzyka, Associate Professor of the Department of Pedagogy and Psychology, Pedagogical Institute, Borys Grinchenko Kyiv University, Ph. D., Associate Professor; Oleksandr Serhiiovych Semenov, Associate Professor of the Department of Pedagogy of Lesya Ukrainka Eastern European National University (Lutsk), Doctor of Pedagogical Sciences, Associate Professor; Kateryna Volodymyrivna Sizonenko, deputy director for educational work of "Academy of Modern Education" with in-depth study of foreign languages (Kyiv.)

As a result, participants noted the exceptional relevance of the problems raised at the conference and the need for the II All-Ukrainian scientific and practical conference "Innovations in teacher training in the context of European integration of the educational process: the view of scientists and practitioners" to monitor the ideas put forward in the practice of higher education.

**Conference coordinators:** Olga Kotenko, Director of the Pedagogical Institute, Candidate of Pedagogical Sciences, Associate Professor; Svitlana Palamar, deputy director of Pedagogical Institute for Science, Candidate of Pedagogical Sciences, senior researcher.
