## Meeting of first-year students with the Student Council of the Pedagogical Institute

**On October 20, 2018**, a meeting of the first-year student activists with the Student Council of the Pedagogical Institute was held.

A friendly and warm atmosphere of the meeting contributed to an easy communication and allowed the first-year student to get answers to all their questions. Students in

a fun way learned about the peculiarities of the Student Council's activities, and even presented their own projects.

Thank you, everyone, for positive emotions and endless smiles!
