
First-Year Student's Meeting 2018 at Pedagogical Institute

On the August, 28th the Pedagogical Institute community welcomed new students at the First Year Assembly 2018 at Pedagogical Institute. The assembly was graced by Mrs. Olga Kotenko, the director of Pedagogical Institute; members of the administrative and faculty teams, as well as family of the incoming students.

First year students were acquainted with functioning of all units of the University, internal rules, peculiarities of educational process and specifics of the extracurricular activities.

We are convinced our first year students will use their powerful potential for studies and personal development during their university years.
