
"Star Starts"

On November 10, 2018, first-year students of the specialty "Primary Education" of Pedagogical Institute warmly welcomed young residents of Rusanivka at "Star Starts" entertaining event in the framework of the social project "With Kyiv and for Kyiv".

Fun games, incendiary dances, interesting puzzles, drawings of mood on the pavement and sunny weather contributed to the creation of the atmosphere of the event.

***Moderator:** Iryna Tolubko, lecturer of the Department of Primary Education.*
