**Grinchenko family!**

In honor of innocent victims of the Genocide  
*On Saturday November, 24, 2018 at 4pm*  
join the all-Ukrainian action "Light a candle!".

At nightfall, light and put a candle on the windowsill so that it can be seen from the  
outside.

This light for each of us will symbolize our grief and memory of millions of ruined  
souls and lives of Ukrainians.
