
Workshop in English "Cultural and social phenomena that sound in European languages"

On September, 26th, 2018 at Pedagogical Institute, Borys Grinchenko Kyiv University, a practical workshop was held in English, dedicated to the celebration of the European Day of Languages "**Cultural and social phenomena that sound in European languages**".

The aim is to make students acquainted with cultural and social phenomena, aspects, and issues aimed at promoting multilingualism, the motivation for lifelong learning of foreign languages and acquiring skills of intercultural communication.

The workshop had the following tasks:

- to familiarize with the most relevant socio-cultural issues of European and world community;
- focus on the linguistic and cultural diversity of Europe's population;
- to analyze related groups of European languages;
- to find common characteristics of groups of international words typical for European languages.

Moderator: Yu. Labunets, Candidate of Pedagogical Sciences, senior lecturer of the Department of Foreign Languages and Methodologies.
