
Solemn awarding of diplomas to graduates of the Masters degree

On **November, 8th, 2018**, at Pedagogical Institute, a solemn awarding of diplomas to graduates of correspondence studying Masters degree of specialties: "Preschool Education", "Primary Education", "Pedagogy of Higher School" took place.

Oleksii Zhyltsov, the Vice-rector on Scientific and Methodological and Educational work of the University, Olga Kotenko, the Director of Pedagogical Institute and heads of departments addressed graduates with a welcoming speech.

We wish all masters creative inspiration and inexhaustible energy for the implementation of their plans and desires.

Let self-confidence be the key to your success, give inspiration to write new pages of your life and the history of our University.
