

On November 29th, 2017, the second meeting of «English speaking club» on the topic «Age is inevitable. Aging isn't» under the guidance of the lecturer of Foreign Languages and Methodology Department Yuliia Rudnik. The meeting was attended by Lisa Marie Blank, professor of the University of Montana (USA), a member of the Fulbright Academic Exchanges Program.

The meeting was organized as an interactive discussion in a round table format. The aspects of age influence on human and her potential, psychological characteristics of different age categories in Ukraine and USA were debated, psychological age of the club members was diagnosed and impressions were considered.

The results of club activity were posted as a psychological portrait on an interactive wall Padlet.
