
«Seven Secrets of Healthy Relationships With Children»

On March 24, 2018, the Department of Preschool Education of the Pedagogical Institute, Borys Grinchenko Kyiv University, held the first training session "Seven Secrets of Healthy Relations with Children". It is a part of a series of workshops "The Lapbook of Professional Success" for pedagogical staff of the preschool educational establishments in Kyiv.

The participants of the training session got acquainted with the peculiarities of communicating with "Generation Z" children; revealed the influence of parents` and educators` image on the emotional and physiological well-being of the child; defined the rules for establishing a balance between the intellectual and emotional development of the child, etc. A motivational motto for independent study of the suggested by lecturers "portfolio" (video, e-books, theme articles) was the paraphrase of Hryhoriy Skovoroda "Live, as you teach."

Moderators: Bielienska H. V., Polovina O.A., Melnyk N. I., Kondratets I. V.
