
Moderation Seminar "Integrated Learning: From Strategy to Tactics"

On March 29th, 2018, a moderation seminar "Integrated Learning: From Strategy to Tactics" was held at the Pedagogical Institute of Borys Grinchenko Kyiv University for pedagogical staff of Kyiv.

The purpose of the seminar is to elaborate the methodical principles of integrated learning in an interactive form; to analyze Integrated Learning Programs within the Project "New Ukrainian School" and the All-Ukrainian Experiment "Primary School: Education for Life" initiated by Borys Grinchenko Kyiv University; to create conceptual maps of integrated days and models of integrated activities of pupils in a class.

Moderators:

Bondarenko G. – Head of the Department of Primary Education, Candidate of Pedagogical Sciences, associate professor;

Linnyk O. – Professor of the Department of Primary Education, Doctor of Pedagogical Sciences;

Nechyporenko K. – Senior lecturer of the Department of Primary Education, Candidate of Pedagogical Sciences.
