
Student scientific seminar "Start-up-project as a result of modern students` research activity"

On May 17th, 2018, a Student Scientific Seminar "Start-up-project as a result of modern students` research activity" was held at Pedagogical Institute of Borys Grinchenko Kyiv University.

The purpose of the workshop was to familiarize students with the peculiarities of creating start-ups for the preparation of future primary school teachers for the implementation of the "New Ukrainian School" concept.

During the seminar, the winners of the 2nd All-Ukrainian Contest of Student Scientific Papers, Olga Mishchenko and Iryna Druts presented their start-up projects. The winner of the All-Ukrainian Student Olympiad, Alyona Lytvyn, showed a fragment of the Ukrainian language lesson for the 1st graders. Students Iryna Grusha and Anastasia Gulko presented board didactic games for using during the adaptive-game period of elementary education.

Coordinators: lecturers of the Department of Primary Education I.Sukhopara and N. Semeniy
