
VASYL SUKHOMLYNSKY ON THE BACKGROUND OF EPOCHS

On May 24, 2018, in the framework of the Festival of Science on the basis of the Pedagogical Museum of Ukraine a session of the historical and pedagogical research "**Vasyl Sukhomlynsky on the background of the epochs**" was held. The meeting was attended by the scientific staff of the Pedagogical Museum of Ukraine, the faculty of the Department of Pedagogy and Psychology, Pedagogical Institute of Borys Grinchenko Kyiv University, students of the specialties "Preschool Education" and "Primary Education".

During the meeting, the participants discussed the viability of Vasyl Sukhomlynsky pedagogy and its consonance with the ideas of the New Ukrainian School Concept, peculiarities of implementation of progressive achievements of the teacher into preschool and general secondary education. Special attention was given to the demonstration platform of didactic games based on the content of stories of Vasyl Sukhomlynsky, which were developed by students of the specialty "Preschool education".

The core of theoretical and practical legacy of Vasyl Sukhomlynsky were the questions of students' moral upbringing. These issues were reflected in the performances of students: *Svitlana Harmash*, *Inna Levkivska*, who presented the results of their own historical and pedagogical research.

The highlight of the meeting was reading session of works by Vasyl Sukhomlynsky by students of specialty "Primary Education" - *Hnatiuk Olga and Evgeny Krotov*. *Anastasia Frankova* prepared the reflection "The image of the mother through the prism of flower palette".

After the meeting, *Viktoriya Bondarenko*, researcher of the Pedagogical Museum of Ukraine, familiarized the participants of the scientific session with the materials of the exhibition devoted to the work of the teacher.

We wish all the participants of the meeting further scientific achievements!
