
The Youth Forum «Teaching is Fashion. Being a Pedagogue is a trend»

On November, 7th, 2017, Pedagogical Institute warmly welcomed more than 90 students of Kyiv city schools, participants of the Youth Forum «Teaching is Fashion. Being a Pedagogue is a trend».

Participants of the forum were Oleksii Zhylytsov, Vice-Rector of Borys Grinchenko Kyiv University; Tetiana Maltseva, Pedagogical Institute graduate, director of Kyiv pre-school № 54; Viktoriia Viunnik, Pedagogical Institute graduate, pre-school teacher-methodologist of Novopecherska School; Volodymyr Melnychenko, Borys Grinchenko Kyiv University graduate, director of gymnasium «Econad»; Marichka Berizko, a master student of Pedagogical Institute of Borys Grinchenko Kyiv University, teacher of English at Academy of Modern Education A+, representative of National Student Organization «Plast»; Hanna Petrushko, Pedagogical Institute graduate, primary school teacher at Kyiv School № 5.

Participants discussed a range of questions, connected to success and a successful personality; dwelled why a pedagogue is a successful personality, what makes him such sharing examples with guests who found success in education.

Participants could find themselves through workshops and trainings «The Town of Masters», «Lifhacks Of A Successful Choice», «Lifhacks Of A Traveller», a video marathon «A Teacher – Is A Job Of A Leader» and quest "On A Teaching Wave", prepared by teaching staff and students of Pedagogical Institute.

We are grateful to all participants who joined this interactive meeting as well as the whole team of Pedagogical Institute for realization of this project!!!!

Coodrinators: Olga Kotenko, PhD, associate professor, the Director of Pedagogical Institute; Yurii Savchenko, PhD, associate professor, Vice-Director of Pedagogical Institute; the Student Council of the Pedagogical Institute.
