
The Quest «Borys Grinchenko`s Pathways»

On December, 5th , 2017 at Pedagogical Institute of Borys Grinchenko Kyiv University, within the Grinchenko Week the Quest “Borys Grinchenko Pathways” took place. The participants were first and third year students of speciality «Primary Education».

The aim of the quest is to extend students` knowledge about life and literature heritage of Borys Grinchenko.

During the quest, students showed great interest in problem-solving. Non-standard ways of problem solving let students pass all stages of the quest and learn interesting facts about famous Ukrainian writer, pedagogue, lexicographer, literary critic, public and culture activist.

Moderators: A. Karnaukhova, PhD in Pedagogy, senior lecturer of the Department of Pedagogy and Psychology; Ya. Matiushynets, postgraduate of the Department of Pedagogy and Psychology.
