## «Professional SELFIE»

On December, 7th, 2017, on the occasion of the University Day a workshop «Professional SELFIE» was given.

The aim of the event is to facilitate professional self-determination of pedagogues and students of Borys Grinchenko Kyiv University. During the event, participants of the workshop had an opportunity to carry out a self-diagnosis of personal qualities using different express methodologies. Attendees found out their own personal and professional qualities and identified themselves with the complex characteristic of a pedagogue: «Who am I? – Leader, Facilitator, Researcher, or the Specialist of Future».

As a result of the workshop «Professional SELFIE» a group portrait identifying diverse image of a pedagogue was made.

Moderators of the workshop: lecturers of the Department of Pedagogy and Psychology of Pedagogical Institute: Ye. Antypin, PhD in Pedagogy, senior lecturer; O. Venhlovska, PhD in Pedagogy, associate professor; L. Kuzemko, PhD in Pedagogy, associate professor.
