

The VIIth Annual Scientific and Practical Conference «Modern Foreign Languages Education. The Students' View» was organized by Foreign Languages and Methodology Department and took place at Pedagogical Institute on the 27th of March, 2018.

The conference was aimed at attracting students to discuss the problems of modern foreign education, exchanging the research results and practical experience of using foreign languages in the educational process, professional activities, everyday life.

A welcoming speech to the participants of the conference was addressed by S. Palamar, PhD in Pedagogy, senior staff scientist, Vice Director on Science of the Pedagogical Institute of Borys Grinchenko Kyiv University.

A video review and discussion on the topic: "Networking as a form of communication" was presented to the participants by the moderator of the conference, I. Pluzhnyk, a lecturer of Foreign Language and Methodology Department.

The second part of the conference was devoted to various networking sessions about different students' life areas: «English in education» (moderators: Y. Labunets, a senior lecturer, PhD in Pedagogy; O. Maksyumiuk, a student of specialty «Musical Art»), «English in work» (moderators: O. Sytnyk, a senior lecturer, PhD in Pedagogy; V. Prokhorchuk, a student of specialty «Pre-school Education»), «English in self-development» (moderators: I. Pluzhnyk, a lecturer; V. Naumets, a student of specialty «Pre-school Education»), «English in entertainment» (moderators: T. Holovatenko, a lecturer; T. Zahladko, a student of specialty «Primary Education»)

The coordinator of the conference is N. Kosharna, the Head of Foreign Language and Methodology Department, PhD in Pedagogy.
