
THE EDUCATIONAL FORUM “THE NEW UKRAINIAN SCHOOL – 2017-2018 ACADEMIC YEAR. START OR CONTINUATION OF PROGRESS”

An August Conference “The New Ukrainian School – 2017-2018 Academic Year. Start or Continuation of Progress” for Kyiv pedagogues took place at Borys Grinchenko Kyiv University on the 22nd of August.

A pedagogical discussion “The Class Lesson System in Developing of the Ukrainian School” was held by the Department of Pedagogy and Psychology of the Pedagogical Institute in the course of the conference (Moderators of the discussion: *Ivaniuk H.I.*, PhD, professor, the head of the department; *Venhlovska O.A.*, PhD, assistant professor; *Holota N.M.*, PhD, assistant professor; *Kuzemko L.V.*, PhD, assistant professor; *Novyk I.M.*, PhD, senior lecturer).

Directors and teachers of general educational institutions of Kyiv joined the discussion of strategic issues of the school education reform.

In the context of urgent problems it is necessary to attract the ideas of creative teachers, to improve the educational process, especially the class-lesson system in developing the new Ukrainian school.

Participants of the discussion expressed their personal opinions concerning the class-lesson system upgrading and developing the innovative personality oriented systems of education in the new Ukrainian school.

Trainings for Participants of the Ukrainian Experiment “Primary School: Education for Life”

Series of trainings on implementing the Ukrainian experiment “Primary School: Education for Life” took place on August, 28-29th in the Pedagogical Institute of Borys Grinchenko Kyiv University. 65 primary school teachers of Kyiv participated in trainings.

The aim of trainings was to familiarize the participants of the experiment with the curriculum “Primary School: Education for Life” for the 1st–year pupils in the form of a methodical constructor, an integrated workbook №1 for pupils “I am a Schoolboy, I am a Schoolgirl”, peculiarities of the integrated theme-project educational process, to increase the level of teachers` communicative competence development, to encourage personal and professional development.

Trainings were carried out by Linnyk O.O., PhD, professor of the Department of Primary Education; Vyshnivska N.V., PhD, senior lecturer of the Department of Primary Education; psychologists of the Scientific and Methodical Centre of the Practical Psychology and Social Service – Oleksenko S.V. and Khomenko O.A.

First Year Assembly 2017, Pedagogical Institute

On the August, 29th the Pedagogical Institute community welcomed new students at the First Year Assembly 2017 at the Pedagogical Institute. The assembly was graced by Mrs. Olga Kotenko, the principal of the Pedagogical Institute; members of the administrative and faculty teams, as well as family of the incoming students.

Students were told about studying at the University and different students' learning activities. Members of the Student Self-Administration Body warmly welcomed first-year students to fulfillment of their creativity and interests at our University.

We wish our students graduate not only as successful people serviceable to our country but also as excellent professionals.

Borys Grinchenko Kyiv University officially welcomes first-year students

In August 31, 2017 Borys Grinchenko Kyiv University welcomed first-year students at the First Year Assembly 2017, the annual ceremonial event for newcomers.

We congratulate young and creative first-year students of Pre-School and Primary School Education. We wish you good luck and inspiration in your endeavors!

Educational Teacher Training Practice For The Second Year BA Primary Education Students

The new educational strategy of future primary school teachers` training includes a great amount of practical training. Students study the personality and adaptation process of first form schoolchildren.

Pedagogy and Psychology Department tutors (Venhlovska O.A., PhD, assistant professor; Hriniova O.M., PhD, assistant professor; Novyk I.M., PhD, senior lecturer; Pasichnyk A.A., PhD, senior lecturer; Matiushynets Y.V., lecturer) managed the professional development of students.

We wish students this practical training become a powerful start of their career. Let it be full of memorable impressions.
