## First Year Assembly 2017, Pedagogical Institute

On the August, 29<sup>th</sup> the Pedagogical Institute community welcomed new students at the First Year Assembly 2017 at the Pedagogical Institute. The assembly was graced by Mrs. Olga Kotenko, the principal of the Pedagogical Institute; members of the administrative and faculty teams, as well as family of the incoming students.

Students were told about studying at the University and different students' learning activities. Members of the Student Self-Administration Body warmly welcomed first-year students to fulfillment of their creativity and interests at our University.

We wish our students graduate not only as successful people serviceable to our country but also as excellent professionals.
