
Training Within The International Project “The Lego Foundation”

On February 26, 2020, the first 6-hour training session for teaching staff of the Department of Preschool Education and Department of Primary Education took place at the Pedagogical Institute, Borys Grinchenko Kyiv University. The training session was delivered by *Halyna Malevych* in the framework of the international project "LEGO Foundation" in Ukraine in accordance with the Memorandum of Understanding between the Ministry of Education and Science of Ukraine and LEGO Foundation (Denmark).

During the training session, lecturers of professional methodologies improved their practical skills in implementing the "learning through play" approach, activity-based teaching methods, and pedagogical facilitation in order to improve the quality of professional training of future teachers of the specialties "Preschool Education" and "Primary Education".

Moderator of the event: director of the Pedagogical Institute, Candidate of Pedagogical Sciences, associate professor *Olga Kotenko*.
