
Outside practical class on "Children's literature with teaching methods»

On September 10, 2019, a seminar with first-year students (short term course) of the first bachelor's degree in "Primary education" was held at the National Museum of Literature of Ukraine. The excursion was organized by the Deputy Director for scientific work S. Palamar and professor of the Department of Primary Education L. Nezhyva. Guides of the Museum of Literature organized a fascinating quest-tour through the Museum rooms in search of literary treasures. Students learned a lot of interesting facts from the life and work of classics of our literature: Taras Shevchenko, Ivan Nechui-Levytskyi, Ivan Franko, Borys Grinchenko, Lesya Ukrainka, Mykhailo Kotsyubynskyi, as well as about other modern Ukrainian writers. Excursion fully contributed to achieving the goals and objectives of the seminar "Features of Ukrainian literature for children." This event helped young people to join the treasury of Ukrainian literature, to expand the experience of excursions.
