
Outside practical class on "Social and health-caring education"

On September 13, 2019, an outside practical class was held on the basis of the specialized school of I-III stages № 265 in Kyiv with an in-depth study of artistic and aesthetic subjects. The topic was "The Formation of the Social Component of the Health of Primary Schoolchildren."

Students of the 4th year of the specialty "Preschool Education" with O. M. Vashchenko took part in the morning meetings held by teachers of 1-A, 1-B classes of this school.

The purpose of the event is to form students' skills of modeling the system of learners' activities, which will contribute to the formation of their social and health-caring competence.

Moderator: O. M. Vashchenko, Candidate of Pedagogical Sciences, Associate Professor of the Department of Primary Education.
