

## Guest Lecture within the Framework of Cooperation of the Department of Preschool Education with Stakeholders

---

On May 24, 2021, a guest lecture by Tetiana Hurkovska, Head of the Association of Preschool Education workers in Kyiv, consulting psychologist, editor-in-chief of the journal "Practical Psychologist. Kindergarten", member of the Employers Council of the Pedagogical Institute took place. The event was held within the framework of cooperation aimed at improving the quality of training of students of specialty 012 Preschool Education. A lecture on the topic "Social Demands for the Training of Kindergarten Teacher" was held for students of the first (Bachelor's) level of Higher Education. The lecturer presented materials related to the issues of society's requests for the development of creative abilities of future teachers and the formation of their ability to develop the creative abilities of preschool children. She dwelled on the features of cooperation between the psychologist of a preschool education institution and all participants in the educational process. She noted the importance of strengthening the psychological component of training future kindergarten teachers. Tetiana Leonidivna mentioned close long-term cooperation with the teaching staff of the Department of Preschool Education and involvement in working on joint publications, programs, conferences, seminars, etc. Students discovered the prospects of publications on the pages of the journal "Practical Psychologist. Kindergarten". Together we take steps to improve the quality of preschool education!
