

Guest Lecture by Vasyl Dyakiv, the Winner of the Global Teacher Prize Ukraine 2020

On **March 05, 2021**, within the framework of cooperation between the Pedagogical Institute of Borys Grinchenko Kyiv University and the public union "Osvitoria", a guest lecture was held on the topic "Teacher in a New Ukrainian School: Challenges, Searches and Finds", which was delivered by **Vasyl Dyakiv**, the third-generation teacher, winner of the Global Teacher Prize Ukraine 2020, member of the Advisory Council on promoting the development of the general secondary education system under the President of Ukraine.

During the lecture, Vasyl Dyakiv spoke with second-year students of the specialty "Primary Education" about the internal and external challenges of the NUS teacher, pedagogical inspiration and motivation, skills of the future teacher and new labour functions, Ukrainian competitions for teachers.

We are grateful to Vasyl Dyakiv for his informative speech and creative atmosphere!
