

## VI International Grinchenko Scientific School for Doctoral Students, Postgraduates and Young Scientists in the Field of Knowledge 01 "Education / Pedagogy"

---

From **May 11 to May 14, 2021**, on the initiative of lecturers of the Department of Theory and History of Pedagogy of the Pedagogical Institute of Borys Grinchenko Kyiv University, within the framework of Science Days, annual VI International Grinchenko Scientific School for Doctoral Students, Postgraduates and Young Scientists in the field of knowledge 01 "Education/Pedagogy", specialty 011 "Educational, Pedagogical Sciences" was held. The seminar was attended by scientists from three countries: Ukraine, the Republic of Poland, and the Czech Republic. The purpose of annual events is to popularize science and scientific achievements, contemporize the topics of modern scientific research, and motivate young scientists to research activities.

This year, the work plan of the online Scientific School included thematic days. The first day (Academic Day) was devoted to the development of pedagogical science, the methodology of research in the context of modern challenges. Students of the School had the opportunity to listen to the speakers' reports and ask them relevant questions. Speakers of the Academic Day were: *Olha Sukhomlynska*, head researcher of the Vasyl Sukhomlynsky SNPL of Ukraine, Doctor of Pedagogical Sciences, Professor, full (academician) of the National Academy of Pedagogical Sciences of Ukraine "*Development of Pedagogical Science Through the Prism of Dissertation Research*"; *Olena Lokshyna* head of the Department of Comparative Pedagogy of the Institute of Pedagogy of the National Academy of Pedagogical Sciences of Ukraine, Doctor of Pedagogical Sciences, Professor, corresponding member of the National Academy of Pedagogical Sciences of Ukraine "*EU Education and Training Program 2020: Evolution of Priorities in the Context of Rapidly Changing Challenges of Our Time*"; *Svitlana Sysoeva*, Academician-Secretary of the Department of General Pedagogy and Philosophy of Education of the National Academy of Pedagogical Sciences of Ukraine, Doctor of Pedagogical Sciences, Professor, full member (academician) of the National Academy of Pedagogical Sciences of Ukraine "*Methodology of Modern Research in the Field of Knowledge 01 "Education / Pedagogy"*".

The second (International Day) day of the Scientific School was concerned with the popularization of European experience in the field of scientific research, in particular, the Republic of Poland and the Czech Republic. Speakers of this day: *Josef Malach*, head of the Department of Pedagogy and Andragogy of the University of Ostrava, Dr. habil., professor (Czech Republic); *Rysharda Cherzhnevskya* professor of the Department of Social Pedagogy, Faculty of Pedagogy, Jesuit University Ignatianum in Krakow, Dr. habil. (Republic of Poland); *Marta-Maria Urlinska*, Dr. habil., professor at the Jesuit University Ignatianum in Krakow (Republic of Poland); *Magdalena Urlinska-Behrens*, lecturer at the Department of Geriatrics, Gerontology and Social Work of the Faculty of Pedagogy of the Jesuit University Ignatianum in Krakow (Republic of Poland).

On the Literature Study Day there was an introduction to the electronic information resources of the V.O. Sukhomlynskyi State Scientific and Pedagogical Library of

Ukraine on the development of Pedagogy, Psychology and Education (*Larysa Ponomarenko*, head of the Department of Scientific and Educational Information Resources of the V.O. Sukhomlynskyi State Scientific and Pedagogical Library of Ukraine, Candidate of Sciences in Social Communications); sharing of experience in managing research data (*Svitlana Chukanova* head of the Scientific Library Sector, coordinator of the Viktor Kitastyi American Library of the National University "Kyiv-Mohyla Academy", Candidate of Pedagogical Sciences); presentation of the funds of the Pedagogical Museum (*Oleksandr Mikhno* director of the Pedagogical Museum of Ukraine (NAPN of Ukraine), Candidate of Pedagogical Sciences, senior researcher).

On the Methodological day, students of the Scientific School were given a unique opportunity to take part in the meeting of the Dissertation Council D 26.133.06 (with the right to accept for consideration and conduct dissertations defences for the degree of Doctor (Candidate) of Pedagogical Sciences in the specialty 13.00.04 "Theory and Methodology of Professional Education"), as well as to work with electronic tools for preparing the dissertation (*Natalia Mazur* associate professor of the Department of Information and Cyber Security of FITM of Borys Grinchenko Kyiv University, Candidate of Pedagogical Sciences, Associate Professor).

The event was held within the frame work of the implementation of the scientific topic of the Pedagogical Institute "Modern Strategies for Teacher Training in the Context of European Integration".

**Coordinators:** *Lyudmyla Khoruzha* head of the Department of Theory and History of Pedagogy of the Pedagogical Institute of Borys Grinchenko Kyiv University; *Inna Leontieva*, associate professor of the Department of Theory and History of Pedagogy.
