

## Day of Ukrainian Writing and Language

---

On November 09, 2020, the community of the Pedagogical Institute joined the celebration of the Day of Ukrainian Writing and Language.

More than 70 students and teachers of the Pedagogical Institute took part in writing the XX Anniversary Radio Dictation of National Unity, joined the flashmob #носійслова in social networks, and showed their knowledge in the "Language Marathon".

There are many of us. We are different, but we are united by our native language!
