

## Studying at PI is Our Way to Achieve Goals

---

On October 5, 2021, the Pedagogical Institute traditionally celebrated the PI Day.

This celebration became a remarkable event for the entire educational community of the Institute and even more united the participants of the educational process. The day was preceded by a lot of preparations: the Student Council prepared surprises, congratulations, set up photo zones, teachers planned thematic meetings with students.

The festive morning for everyone rushing to the first class in the Academic Building No. 2 began with a sweet surprise – representatives of the Student Government Council treated them to sweets with interesting, inspiring quotes. And at 10.00, the following activities were held:

- Master class "Professional and Pedagogical Casting" (*Coordinators: Lesya Kuzemko, Candidate of Pedagogical Sciences, Olena Venhlovskva, Candidate of Pedagogical Sciences, associate professors of the Department of Pedagogy and Psychology*);
- English-speaking excursion "Virtual PI" (*coordinator: Olga Sytnyk, Candidate of Pedagogical Sciences, associate professor of the Foreign Languages and Methodology Department*);
