

# Ukrainian Pedagogical Forum "New Vectors of the Program "Child"

**On September 15, 2020**, the Ukrainian pedagogical forum **"New Vectors of the Program "Child"** was held in the Pedagogical Institute of Borys Grinchenko Kyiv University.

The forum was attended by more than 250 scientists and practitioners from 15 regions, 32 cities, and villages of Ukraine.

Olga Kotenko, director of Pedagogical Institute of Borys Grinchenko Kyiv University, Candidate of Pedagogical Sciences, associate professor, addressed the forum participants with a welcoming speech.

The forum was held in the following areas:

- Peculiarities of modern children in the context of the theory of generations.
- New program ideas: ethical and aesthetic dominant of the updated program content.
- The coherence of the Program with the philosophy of the NUS.
- Partnership of parents and teachers: unity of purpose, variability of means.
- The basics of personally oriented educator's work with children in inclusive groups.
- Creating a growth environment for a modern child.
- Game activity in the educational process: traditions and innovations.
