
First-Year Student's Meeting at Pedagogical Institute

On August 28, 2019, a meeting of first-year students of the Pedagogical Institute was held.

The assembly was graced by Mrs. Olga Kotenko, the director of Pedagogical Institute; members of the administrative and faculty teams, as well as family of the incoming students

First-year students were acquainted with the functioning of all units of the University, internal rules, peculiarities of the educational process and specifics of the extracurricular activities.

The staff of the Pedagogical Institute is convinced that freshmen during the years of their studies will use all their potential for learning and personal development.
