

Advising Meeting of the Administration with Master's Degree Students of the Institute

On 08.10.2020, the Pedagogical Institute hosted an advisory meeting of the administration of the Pedagogical Institute with Master's degree students of the educational programs 012 "Preschool Education" and 013 "Primary Education", who enrolled in 2020.

The welcoming words of the director of the Institute, Olga Kotenko, set up the participants for constructive communication on important issues of the educational process in a hybrid format, on specifics of living in a dormitory, expectations from the interaction of lecturers and students while obtaining a Master's degree.

Heads of graduate departments, Hanna Bielienka and Hennadii Bondarenko, briefly informed students about the specifics of the content of educational programs, the specifics of preparing Master's researches. Deputy directors Maryna Mashovets and Yuriy Savchenko focused on the rights and obligations of students of the Pedagogical Institute of Borys Grinchenko Kyiv University.
