
Literary quest "Works of Borys Grinchenko"

On December 7, 2018, a literary quest "Works of Borys Grinchenko" took place in the framework of the Grinchenko decade at Pedagogical Institute.

Students of Pedagogical Institute and Departments of Preschool and Primary Education traveled along the paths of the works of the famous master of words, patriot, mentor. *The purpose of the event:* the formation of students' ability to competently apply modern tools and pedagogical technologies for the development of artistic and practical competence of children; the ability to create opportunities for showing artistic and speech activity and creativity of children; stimulation of motivation for self-development and continuous professional growth. Especially future teachers liked such types of works as: "graphic constructor", "classroom journal", "dramatization-improvisation", "mental attribute map of works", "pedagogical annotation", "my senkan", "book trailer of a favourite work".

Moderators of the event: candidate of Pedagogical Sciences, senior researcher S. P. Palamar, doctor of Pedagogical Sciences, Professor H. V. Belienka, Candidate of Pedagogical Sciences L. V. Shkarban, Candidate of Pedagogical Sciences S. H. Kondratyuk.
