## "Lapbook of Professional Success-4"

**On October 23, 2019**, teaching staff of the Department of Preschool Education of the Pedagogical Institute of Borys Grinchenko Kyiv University held the first class (in this academic year) of the "Lapbook of Professional Success-4". It is a series of psychological and pedagogical training for employees of preschool education institutions, parents and all those interested in preschool education. The topic of the first module is "Universal Educator of the XXI century".

**The purpose of the training** is to share knowledge on changes in the legislative framework in the field of preschool education; methods of modeling the educational environment; features of organizing various psychological, kokological, communicative, phantom games and alike; improve personal and professional practical skills of participants and widen the innovative tools of psychological and pedagogical support of a child of a preschool age.

**Moderator:** Svitlana Kondratyuk, Candidate of Pedagogical Sciences, senior lecturer of the Department of Preschool Education.
