
The First Stage of the Ukrainian Student Olympiad on "Preschool Education»

On February 12 and 13, 2020, the first stage of the Ukrainian Student Olympiad on "Preschool Education" was held at the Pedagogical Institute.

The competition was attended by students of the specialty "Preschool Education" of the first (Bachelor's) and the second (Master's) educational levels. For Bachelor's students, there were electronic tests on preschool pedagogy and practice-oriented tasks in teaching methodology. Master's students did analytical and designing tasks "Pedagogical Maxims". According to the results of students' participation in the first stage of the Olympiad, places were distributed as follows:

Bachelor's level:

1 place- Povkh Kateryna (group ДОб-2-16-4.0д)

2 place- Odnoroh Liubov (group ДОб-2-16-4.0д)

3 place - Hoch Yuliia (group ДОб-1-16-4.0д)

Master's level:

1 place - Bilynska Yaryna (group ДОМ-1-19-1.4д)

2 place- Prokhorchuk Vira (group ДОМ-1-19-1.4д)

3 place - Pravdyva Alona (group ДОМ-1-19-1.4д)

We congratulate winners and wish them scientific and creative achievements!
