

## Master class "Illustration of Borys Grinchenko's Works by Means of Paper Plastic"

---

**On December 9, 2020**, on the occasion of University Day, the Pedagogical Institute hosted a master class "Illustration of Borys Grinchenko's Works by Means of Paper Plastic", organized and conducted by the Department of Preschool Education and the Department of Pedagogy and Psychology.

The participants had the opportunity to view an excerpt from Borys Grinchenko's poetic fairy tale "Two Frosts", get acquainted with modern materials for paper plastic, optimal methods of working with children of different age groups. Participants of the master class created their own characters, emphasizing their figurative expressiveness, as well as made toy Christmas trees and decorated them.

Thank you to all participants for their positive emotions! See you soon!

***Moderators of the event:** Natalia Holota, Candidate of Pedagogical Sciences, associate professor of the Department of Pedagogy and Psychology, Olena Litichenko, Candidate of Pedagogical Sciences, Senior Lecturer of the Department of Preschool Education.*
