
Working Meeting "Enrollment 2020"

On October 17, 2019, a meeting of students of the first (bachelor's) level of specialties 012 "Preschool education" and 013 "Primary education" with the administration of the Institute was held. Students learned about the prospects of further education at Borys Grinchenko Kyiv University on Master's educational programs. Director of the Institute O. V. Kotenko introduced the features of the entrance campaign 2020-2021, outlined the advantages of obtaining a profession in the chosen specialty in various forms of education. Heads of departments H.V. Bielienka (Department of Preschool Education) and H. L. Bondarenko (Department of Primary Education) presented a summary of educational programs and their benefits for further employment to students.
