
“Grinchenko's Dictionary And Modernity”

On November 30, 2018, students of the I and II years of the specialty "Preschool Education" and "Primary Education" of Pedagogical Institute took part in the annual contest for the best interpretation of the words of Borys Grinchenko's Dictionary on the Wiki portal "Grinchenko's Dictionary and Modernity".

Students presented three words from Borys Grinchenko's dictionary "Uvesdenychki", "Kubara", "Radisen'ko". The team of the Pedagogical Institute received a diploma for winning the annual competition for the best interpretation of words in the category "Musicality of Performance".

We sincerely congratulate the team and everyone who joined the contest.
