
Contest "Grinchenko's Dictionary and Modernity"

On December 03, 2019 on the occasion of Grinchenko decade a traditional contest "Grinchenko's Dictionary and Modernity" was held at Pedagogical Institute. It aimed at interpreting words of Grinchenko's Dictionary on the Wiki portal.

The competition was attended by students of the first and second years of specialties "Preschool Education" and "Primary Education" under the guidance of lecturers of the departments of the Pedagogical Institute. The competition was held in two stages:

The first stage comprised posting links, images, videos, texts supplementing the interpretation and visualization of words from Grinchenko's Dictionary on the Wiki portal until 21.11.2019.

During **the second stage** (December 03, 2019), each team presented three words, which were posted on the Wiki portal. The jury members noted the creativity, scenic, musicality, rhetorical art and a sense of patriotism of the contestants.

The winners in the categories "Mystery", "Attractiveness", "Playfulness", "Eloquence", "Radiance", "Magic", "Originality", "Outstanding", "Style" were students: Zhuchynskyi Sviatoslav, Oleksenko Eliza, Redko Taisia, Tochylo Oleksandra, Pakhomov Yehor, Abisova Eliza, Berezan Olga, Voitenko Marharyta, Hatsiuk Yuliia, Makushyna Olha, Marchuk Anastasiia.

Congratulations to all members of the Pedagogical Institute team, who successfully continue the traditions of the Borys Grinchenko Kyiv University!
