
Social project on October 5, 2019

On October 05, 2019 in the framework of the social project "With Kyiv and for Kyiv" an entertainment for children of preschool and primary school age "Autumn colors" was held.

Third-year students of the specialty "Preschool Education" together with children of the neighborhood Rusanovka played outdoor games, and draw on the asphalt. Despite the cool autumn Saturday morning, students created a positive mood for children and their parents.

***Moderator of the event:** Karnaukhova Antonina, senior lecturer of the Department of Pedagogy and Psychology.*
