
Social project on April, 6, 2019

On April 6, 2019, within the framework of the social project "With Kyiv and for Kyiv", the 2nd year students of the specialty "Primary Education" held an interesting and creative imaginative game program "Fun starts" with children.

At the event, the children played a variety of sports games, led the spring dances, sang funny songs, and the students enjoyed the warm communication with the young residents of Rusanivka, who shared their positive emotions and energy. Children depicted their impressions and emotions in their drawings.

***Moderator of the event:** Iryna Tolubko, lecturer of the Department of Primary Education of Pedagogical Institute.*
