**On December 07, 2019**, as part of the social project "With Kyiv and for Kyiv", the fourth-year students of specialty "Primary Education", prepared an interesting English-speaking entertainment "Winter Fun with Teddy" for children of the Rusanivka neighborhood. Children recalled all the seasons, winter months, winter holidays, signs of winter. They played games, sang songs and guessed difficult riddles. The culmination of the action was the creation of New Year cards. Both children and students were in high spirits from working together!
