
Social project (09.11.2019)

On November 09, 2019, with the participation of students of the sixth year of specialty 011 "Educational, Pedagogical Sciences" (Pedagogy of Higher School), the work of the Advisory and Training Center "Pedagogical support to everyone" was organized and carried out. As part of the program of the social project "With Kyiv and for Kyiv", undergraduates held interesting and fun games with preschool and primary schoolchildren and their parents. All participants of the social project were able to show their creativity, have fun and spend time with pleasure.

Moderators of the event: Inna Leontieva and Alla Mykhaliuk, lecturers of the Department of Theory and History of Pedagogy.
