
Social project on October 11, 2019

On October 11, 2019, in the framework of the social project "With Kyiv and for Kyiv" an advisory and training center "Pedagogical Support to Everyone" for kindergarten children, primary school children and their parents was organized.

The fifth year students of specialty 011 "Educational, Pedagogical Sciences" (Pedagogy of Higher School) took part in the preparation and holding of the event. They managed to involve children and their parents not only into a variety of games, but also into creation of an unforgettable positive mood.

Moderators of the event: lecturers of the Department of Theory and History of Pedagogy Leontieva Inna and Mykhailiuk Alla.
