
Social project on March, 30

On March 30, 2019, within the framework of the IX stage of the social project "With Kyiv and for Kyiv", students of the specialty "Preschool education" had fun "We and transport". The children guessed riddles on transport, reinforcing the knowledge about the colors of traffic lights and took part in outdoor games on a transport topic.

Students together with children made paper planes and made experiments with rubber balls. The social project continues!

Moderator of the event: Iryna Tovkach, senior lecturer of the Department of Preschool Education of Pedagogical Institute.
