
Social project (30.11.2019)

On November 30, 2019 in the framework of the social project "With Kyiv and for Kyiv", a workshop on origami making for children of preschool and primary school age was held

Students of the 2nd year of the specialty "Preschool Education" made various figures from paper (flowers and butterflies) together with children. Children plunged into the world of ancient art, which develops spatial thinking, patience, concentration, accuracy, and imagination with great pleasure. At the end of the meeting, the project participants came up with a fairy tale "Bunny, mouse and dinosaur".

Moderators of the event: *Natalia Holota, Associate Professor of the Department of Pedagogy and Psychology; Antonina Karnaukhova, senior lecturer of the Department of Pedagogy and Psychology.*
